

Athlete Participation Examination

If your child needs an athletic participation form filled out by their provider, please complete the request form below. If the request is for an Illinois High School Association form, Town & Country Pediatrics can provide it for you. All other program specific forms should be provided by you. Please remember to complete the parent and athlete portion (page 1) before returning the IHSA form to your school.

If your child has not been seen within the last 12 months for a check-up, you will be asked to complete a visit before the form can be finished.

Please allow Town & Country Pediatrics up to 10 business days to complete your child's form.

Please complete the information below, sign and date where indicated. Your signature represents that you are the legal parent or guardian of the minor child who is Town & Country Pediatrics patient. You therefore act as the minor child's personal representative as HIPAA defines that term. That means that you may have access to the minor child's Protected Health Information. You agree to notify Town & Country Pediatrics if your status as the minor child's personal representative changes for any reason. In unusual circumstances HIPAA may prohibit Town & Country Pediatrics from continuing to provide you with such access to the minor child's Protected Health Information. If those unusual circumstances ever arise, then Town & Country Pediatrics will explain why.
